

GE Healthcare EGM Environmental Health and Safety Policy

GE Healthcare is committed to achieving environmental, health and safety (EHS) excellence. This is a responsibility of all employees. GE Healthcare will strive to provide a safe and healthy working environment to avoid workplace injuries and illnesses and adverse impact to the environment.

GE Healthcare committed to;

- **Comply with applicable** environmental, health and safety (EHS) **laws and regulations,**
- *Take appropriate measures to **prevent workplace injuries and illnesses,** provide employees with a safe and healthy working environment.*
- **Prevent** where possible **or minimize our impacts on the environment** by minimizing the waste generated, preventing pollution at its source.
- **Assess EHS impacts** before starting a new activity or project.
- **Continue to improve** our EHS systems and performance as an integral part of GE Healthcare's operational strategy.

This policy is an integral part of GE Healthcare Global EHS policy.
